Allworx User Group

As a security precaution, the website (GroupSpaces) will verify every new sign-up to make sure that no one is using your email to sign up as an Allworx Reseller or End User.

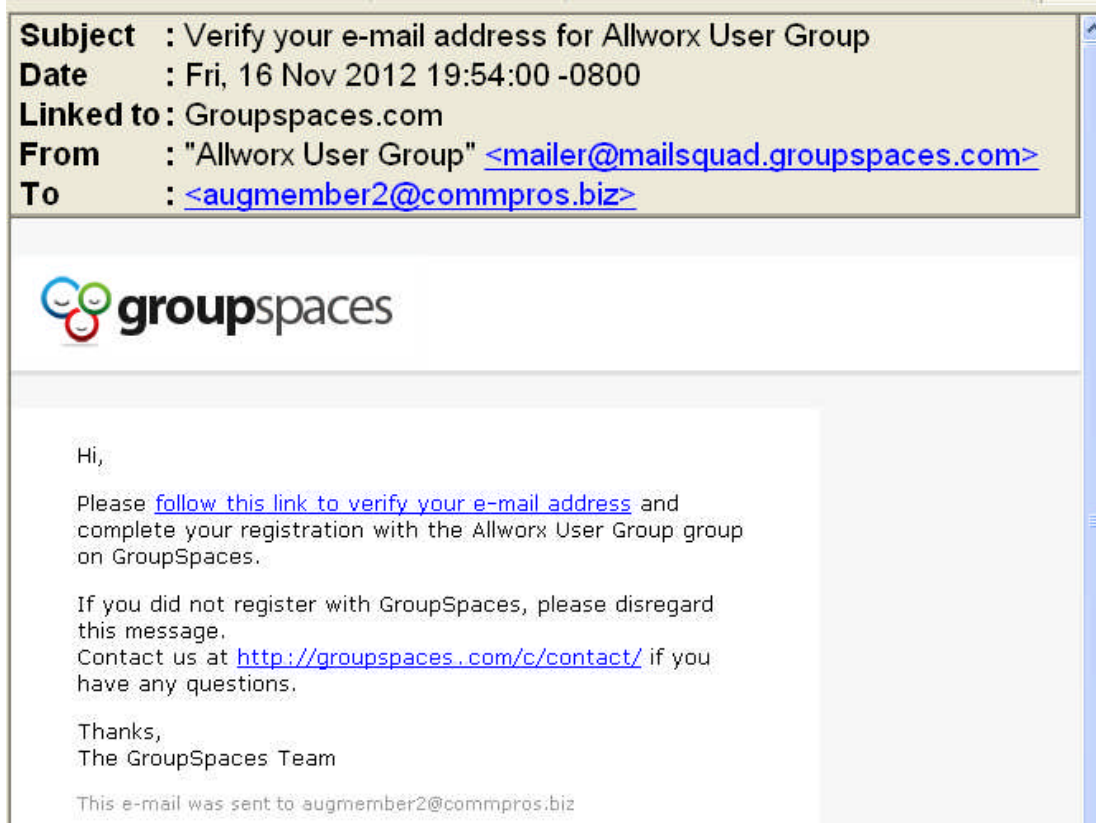

We've included instructions (next page) on how to verify your email address.

A

After login into your account, if you only see only ONE tab (Home), it means that you have not yet confirm your email from “Allworx User Group”.

Search for your email from Allworx User Group”/groupspaces.com (See example picture below) and click on “follow this link to verify your e-mail address” to confirm your email address. Please check your spam filter if you can not find it in your inbox.

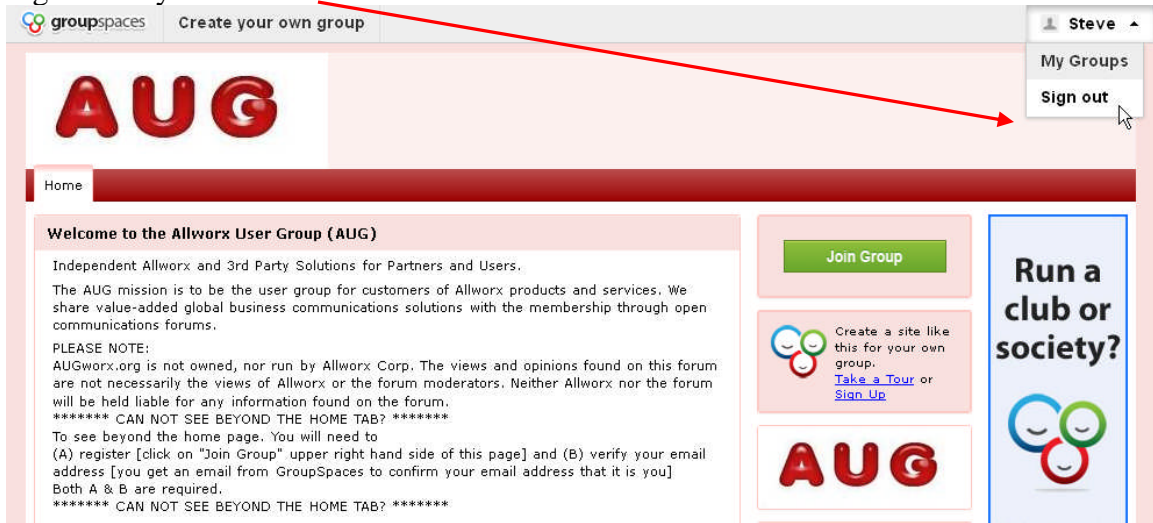

Done.

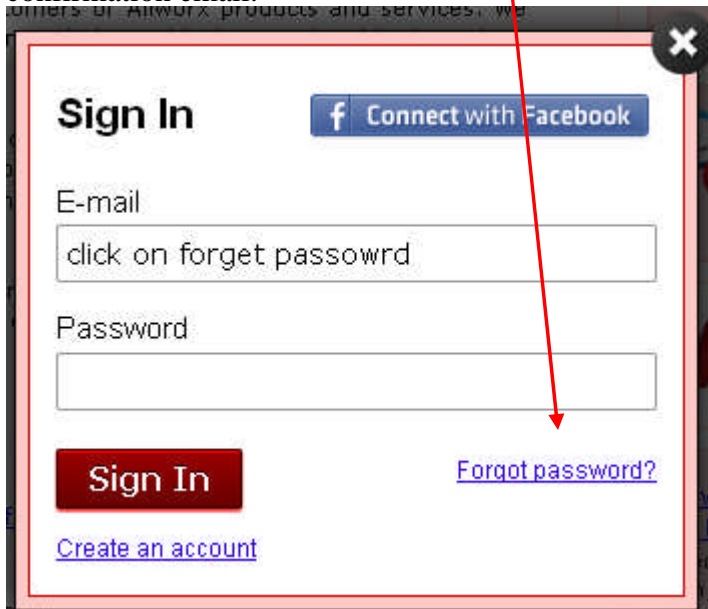

B

If some reason, if you can not find your confirmation email (Example picture above).

Sign out of your account

and sign back in by click on the “forgot password” link to have the system resend another confirmation email.

Type in your email and click “Resend Password”. Follow the steps “A” from above to complete the process.
